GIRNAR LIGHTING COMPANY

GLC

Girnar Lighting Company, based in Mumbai, is a premier provider of LED lighting solutions, proudly serving the vibrant regions of South and West India. Our diverse portfolio boasts an array of captivating lighting products.

To provide Indian lighting designers and users with a rich selection of decorative lighting fitments. Our collection has been created with different usages, tastes and themes in mind. It offers an eclectic range designed and crafted by experts with years of priceless experience.

Our Journey began in 2017 as a tribute to the global decorative lighting style. Our goal was to introduce aesthetically designed products, exploring multiple finishes to suit any home, with a core focus on quality.

With over 20 years of experience in the lighting industry coupled with our manufacturing ability, we are able to bring out world-class products to the Indian market in all its glory.

- Best-in-class designs. Latest trends from all over the world.

- Carefully chosen products that stand out for their aesthetics, design and output.

- Every product showcases simple geometry and uncluttered form factor.

- Light characteristics, optics and thermal considerations are incorporated in the designs.

- Customisable as per requirements.

- Manufacturing products of global standard.

- Premium components with the highest level of quality testing.
